

Get your UC Davis CPE
Computing Access.

You can use this username and password
to log into your email at
<https://my.ucdavis.edu/>

UC Davis Computing Account Services

<http://accounts.ucdavis.edu>

New users must create their own accounts at UC Davis.

You will receive your employee identification number from your program representative. Once you have your employee ID number, please follow the steps below to create your UC Davis login ID and passphrase.

1. Visit: <http://accounts.ucdavis.edu>
2. Click on “Get your Uc Davis Computing Account”

Get your UC Davis Computing Account
Use this option to create your loginID, email address, and passphrase. New users must create their accounts at UC Davis.

Ethernet registration
Wired connections such as in the dorms and classrooms on campus require registration of your computer's MAC address. [Locate your MAC address](#) and then use this option to register.

Change your passphrase
If you can answer your passphrase challenge questions or you know your current passphrase, you can change the passphrase [here](#). Otherwise, you must bring a photo ID into an [IET Computer Lab](#) that does passphrase resets.

Change your directory information
Update your <http://www.ucdavis.edu/> online directory information [here](#).

3. This will take you to the authentication screen.

Authentication

[Progress](#)

Instructions:

Please verify your identity by providing the following information. Do not set up or modify an account for someone else. See [California Penal Code 502\(c\)](#).

| | |
|------------------------|---|
| First Name: | <input type="text"/> |
| Middle Name: | <input type="text"/> |
| Last Name: | <input type="text"/> |
| Student/Employee ID #: | <input type="text"/> <small>(9 characters)</small> |
| Birth Date: | <input type="text"/> / <input type="text"/> / <input type="text"/> <small>(MM/DD/YYYY)</small> |

Submit Information

←

4. You will need to fill in:

- First Name
- Middle Name (optional)
- Last Name
- Employee ID number
- Date of Birth

5. Click “Submit Information”

6. You can select the name of your Login ID. It should follow the requirements below:

- Must be between 2-8 characters long
- Any letters or numbers
- Adhere to the UC Davis “Principles of Community”. Out of respect for others, your ID should not include offensive language.

Make note of:

- Your email address
- Your login or user ID (may be different than your email address)
- Your password
