Course Description:

Topical Outline:

Identify the major topics and content areas to be covered in this course. Please also include and/or attach an agenda or breakdown on how time will be spent in class.

Please list the proposed class schedule:**Total instructional hours for this course:**

State law requires a minimum break of 30 minutes for every 4 hours of instructional time. Do not include the required meal break times; show only instructional time.

Number of CEU's you are requesting for this course:

(10 instructional hours = 1 CEU, 30 hours of lab = 1 CEU)

Participants must be present for all instructional hours and earn the maximum number of CEUs offered in the course. Example: a 30 hour course = 3 CEUs. If a participant is unable to attend all of the instructional hours, a partial number of CEUs will not be awarded.
