## 1. Career Fair TOMORROW

If you didn't know already, the career fair for engineering and physical science is tomorrow. You should go whether you're looking for that next internship, job, career experience, or not. It's a great way to understand what's out there in the professional world and an even better way to get your network going!

## 2. Energy Networking Fair

Are you interested in environmental policy, sustainability, energy systems and infrastructure?

If so, you are invited to attend the

### **Emerging Energy Professionals Networking Event**

**2:30-5:00pm**

**Wednesday, January 30<sup>th</sup>**

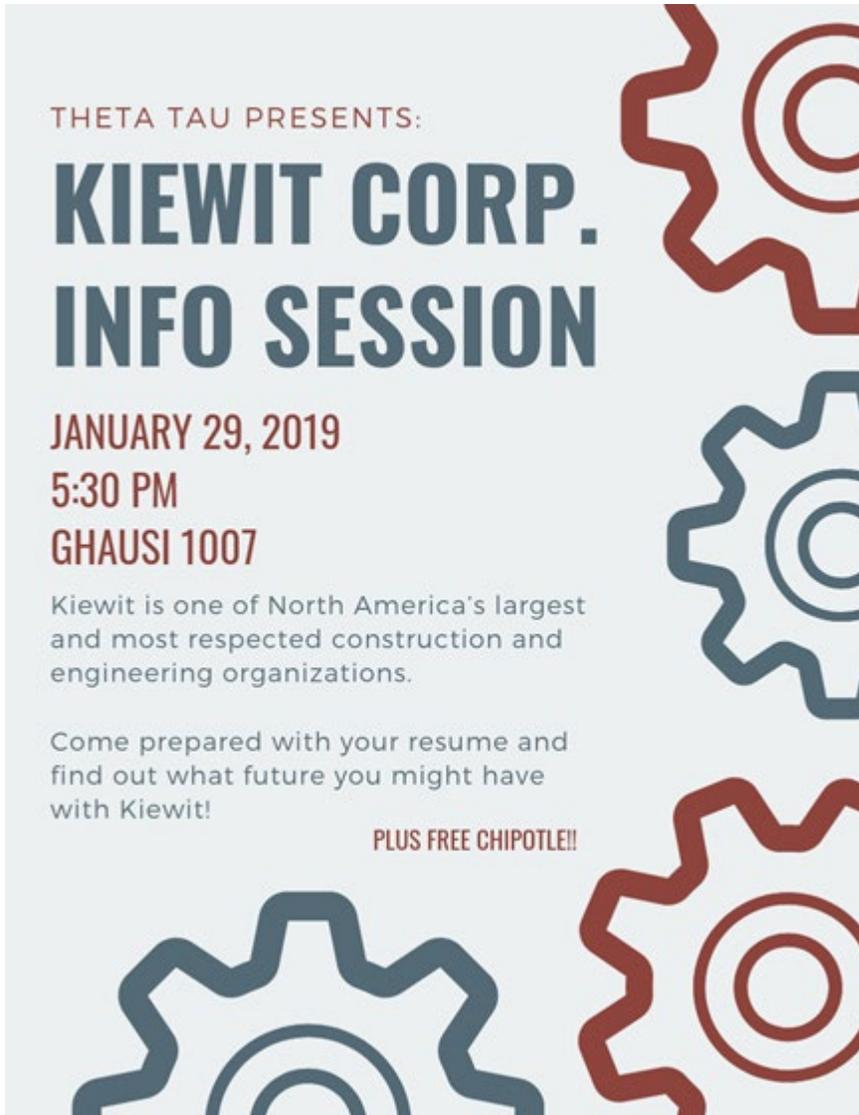

**ARC Pavilion**

This event, which follows the Engineering and Physical Sciences Career Fair will be available to a limited number of students.

**Come learn how others have launched careers that make a difference!**

**Please [RSVP here](#)**

### 3. Kiewit Info Session Tonight

THETA TAU PRESENTS:

# KIEWIT CORP. INFO SESSION

JANUARY 29, 2019  
5:30 PM  
GHAUSI 1007

Kiewit is one of North America's largest and most respected construction and engineering organizations.

Come prepared with your resume and find out what future you might have with Kiewit!

PLUS FREE CHIPOTLE!!

#### 4. Haley & Aldrich @ the Career Fair

**Haley & Aldrich** will be at UC Davis' **Engineering and Physical Sciences Career Fair** **this Wednesday, January 30th from 10:00-2:00pm**. We are an engineering consulting firm specializing in civil, geotechnical, environmental, and construction engineering. We have 600+ consultants and 30 offices throughout the US, but take a "whole system" approach to our projects, meaning that our collaborative culture enables our staff to work on a variety of projects not dictated by their location.

The firm is growing and looking to hire the top engineering and science students to apply novel approaches and create sustainable solutions for its clients.

***They would personally invite the students in your department to stop by and meet with us this Wednesday!***

## 5. Women in Transportation Club Events

Hello UC Davis Transportation Community! We hope you had a relaxing winter break and a positive start into the winter quarter!

Come join us for our first event of the quarter with guest speaker Deborah Dagang, she will be discussing her career background, where the transportation industry is at the moment and more.

The event will take place on Friday, February 8th, 3:30 PM in the ITS Conference Room 1103, 1605 Tilia, West Village.

Refreshments will be provided.

Lastly, the second event of the Career Series will be towards the end of February. We will have transportation industry leaders provide personal feedback to help you get your foot in the door and drive your career in transportation! Location & Date TBD.

## 6. Climate Reality Project Campus Corps Meetings

Concerned about climate change? Join the Climate Reality Project Campus Corps at UC Davis. The organization is focused on aggregating resources to swiftly act on the most pressing issue of our time. Bring your friends and your ideas—we can reverse the worst effects of climate change, but it's going to take all that we've got. Meetings Mondays, 4pm-5pm in the Moss Room (3rd floor of the MU).

Join via [AggieLife](#) to stay in the loop about meetings and events.

Contact Megan Phelps with questions, or if you'd like to get involved:  
[mkphelps@ucdavis.edu](mailto:mkphelps@ucdavis.edu).
